SEATTLE, WA. - June 14, 2018 - Leading web and mobile bill payment solution [doxo](http://www.doxo.com) (www.doxo.com) has been honored as a **Gold Stevie® Award Winner**, in the Company of the Year category for Computer Services in The 16th Annual American Business Awards this week.

Nicknamed the “Stevies” for the Greek word meaning “crowned,” the 2018 awards were presented to winners at a gala ceremony at the Marriott Marquis Hotel in New York on Monday, June 11, 2018. The American Business Awards are among the U.S.A.’s premier business awards programs, and all organizations operating in the United States are eligible to submit nominations—both public and private, for-profit and non-profit, and large and small.

doxo was nominated and then honored with a Gold Stevie in the Company of the Year category for Computer Services among the more than 3,700 nominations from organizations of all sizes and in virtually every industry submitted this year.

More than 200 professionals worldwide participated in the judging process to select this year’s Stevie Award winners, and during the evaluation process, judges complimented doxo’s solution to securely pay all your bills with a single account as “a clear need.” Through being able to use any payment type and help with payment-tracking, reminders, and auto-pay, doxo has taken the task of paying your bills and “made it better.” Additionally, judges hailed doxo’s growth as “clearly a very successful 2017 for this company.”

“We’re honored and delighted to have been singled out for a 2018 Gold Stevie® Award for Company of the Year, for Computer Services,” commented **Steve Shivers**, CEO and co-founder of doxo. “With over 3 million users on doxo and more than 45,000 payable billers, we’re providing users with a better bill paying experience, and billers with a way to get fast, free, direct payments that eliminate the long-term contracts and high integration costs of traditional payment solutions.”

“The nominations submitted for The 2018 American Business Awards were outstanding. The competition was intense, and those recognized as Stevie Award winners should be immensely proud of this accomplishment,” said **Michael Gallagher**, president and founder of the Stevie Awards.
