Top Producing Brad Schmett Real Estate Group Joins eXp Realty

La Quinta, CA (June 18, 2018)– Brad Schmett, of Brad Schmett Real Estate Group, announced today that his team has joined fast-growing and industry disruptive eXp Realty, the largest residential real estate brokerage by geography in North America. Schmett and his team are the dominant real estate team in the Greater Palm Springs Area and are one of the top-producing real estate sales teams in North America.

For 2017, Brad Schmett Real Estate Group ranked #1 in the Greater Palm Springs Area for overall sales production. With 209 homes sold and over \$91 million in sales volume, Brad and his team ranked #1 for Closed Sales and #1 in Overall Sales Volume. Schmett's team has also been selected as “Best of the Best” in California Real Estate Teams by consulting and communications giant REAL Trends. Brad Schmett, President and CEO of Brad Schmett Real Estate Group, is exclusively endorsed by Shark Tank star and real estate mogul, Barbara Corcoran.

“The moment I heard about eXp Realty, my interest was piqued. I immediately knew that eXp Realty’s cutting-edge ‘no bricks and mortar’ business model coupled with their cloud-based agent-centric platform was setting the course for the future of real estate... right now,” said Schmett.

eXp Realty provides 24/7 access to collaborative tools, training and socialization for real estate brokers and agents through its fully-immersive, virtual campus environment. As a public company subsidiary, eXp Realty uniquely offers real estate professionals within its ranks opportunities to earn company stock for production and contributions to overall company growth. eXp Realty is one of the fastest growing real estate brokerages in the United States with more than 12,000 agents in 49 U.S. states, the District of Columbia and three Canadian provinces.

Brad Schmett Real Estate Group is an exclusive, elite and sophisticated group of real estate consultants raising the bar for service in the Greater Palm Springs Area real estate market.
