Hydraulic Supply Company Announces New Location in Medley, FL

SUNRISE, FL (June 22nd, 2018) – Hydraulic Supply Company (HSC), a leading fluid power distributor of hydraulic, pneumatic, and industrial products, is announcing the opening of its newest Retail store to be located at **10101 NW 116th Way, Suite 15, Medley, Florida 33178** on June 25th.

Currently, Hydraulic Supply operates retail stores in Florida, Georgia, South Carolina, North Carolina, and Tennessee, and Louisiana.

Hydraulic Supply Company's retail stores offer customers a wide selection from over 8,000 hydraulic, pneumatic, and industrial products, with a team experienced technicians, and an impressive variety of services including hydraulic & industrial hose assembly, flexible metal hose assembly, tube bending and flairing, manual valve assembly, among other services.

The new store will be open Monday through Friday from 8:00 am to 5:00 pm. Customers can also receive expert help through Hydraulic Supply's complimentary 24-hour emergency service hotline, 1-800-432-6413.

All of Hydraulic Supply Company's retail stores are supported by its 60,000+ sq. ft. Sunrise, Florida distribution center which provides customers access to over 20,000+ stocked products across 100 brands for prompt delivery.

"The addition of the Medley location off the Florida Turnpike's Flagler Station Blvd exit on NW 116th Way is perfectly situated for the rapid growth taking place on Miami's west side and fills a gap for many prospects who simply did not want to fight traffic on the way to our Miami store," said John Serra, President of Hydraulic Supply.

Hydraulic Supply Company's new location is part of the company's aggressive expansion plans which include increasing its product portfolio, adding Ecommerce capabilities, and new retail and repair locations in both the US and Latin America.

In its quest to meet customers *wherever and whenever* they need a product, Hydraulic Supply Company also compliments its retail presence thru its website, www.hydraulic-supply.com, and soon will be re-launching its Ecommerce site, designed to be one of the industry's most convenient ways to browse, secure technical information and purchase hydraulic, pneumatic, and industrial products.
