**Trideum Corporation Awarded Prime Contract to Provide Global Training Support to U.S. Army**

**July 20, 2018 – Huntsville, Alabama and Orlando, Florida.** Trideum Corporation, headquartered in Huntsville, Alabama, has been awarded the Enterprise Training Services Contract (ETSC), multiple-award indefinite delivery indefinite quantity (IDIQ) prime contract by the U.S. Army Contracting Command (ACC) - Orlando.

Trideum's ETSC multiple award IDIQ contract has a ceiling of \$2.4 billion with a five-year period of performance.

ETSC is a new contract vehicle through ACC-Orlando in support of the U.S. Army and the U.S. Army's Program Executive Office for Simulation, Training and Instrumentation (PEO STRI). Through the ETSC contract, Trideum will provide the Department of Defense with training and training assistance support services across military and civilian related subjects. Trideum will provide planning and support for Army, Joint, and Security Cooperation exercises; training operations; and maintenance and sustainment functions for training aids, devices, simulations, simulators, and ranges in support of worldwide contingency operations.

Trideum will manage the work from Orlando, Florida, located near the U.S. Army's PEO STRI headquarters, and work will be performed at various secure facilities and government sites worldwide.

**About Trideum**

Founded in 2005, Trideum is headquartered in Huntsville, Alabama, and specializes in test and evaluation, modeling and simulation, training, education, systems engineering and analysis, and information technology solutions.
