**Embassy Suites by Hilton San Luis Obispo Celebrates  
Multi-Million Dollar Property Renovation**

*Total Transformation of Guest Suites, Public Space, Restaurant/Bar, and Meeting Rooms*

**SAN LUIS OBISPO, CA – August 2, 2018** – The Embassy Suites by Hilton San Luis Obispo recently celebrated the grand re-opening of its “newly” renovated property with a ribbon-cutting ceremony followed by a reception where guests toured the beautifully renovated property and enjoy locally crafted beers, area wines, and local, live entertainment. The celebration was attended by community and business leaders including Ermina Karim, then the President/CEO of the San Luis Obispo Chamber of Commerce, Chuck Davison, President/CEO of Visit SLO CAL, and Angie Pappas, Director of Public Relations for Visit California. Throughout the evening attendees enjoyed area wines from Tolosa and Edna Valley Vineyard, local craft beers from Firestone Walker Brewing Company and SLO Brew, local live entertainment from The Luck Band and a well talked about creation featuring made-to-order pork and sautéed mushroom sliders from the hotels Executive Chef, Travis Borba.

The Embassy Suites by Hilton San Luis Obispo put its finishing touches on an 18-month renovation of its guest suites, lobby, atrium, restaurant/bar, indoor pool, fitness center, and meeting spaces and is excited to share the incredible transformation with their guests and the community. Hilton Corporate leadership in attendance included Bill Melton, Senior Director, Brand Performance Support for the All-Suites Brands by Hilton who spoke at the event to say, “Thank you to the team members of this property. They worked very hard to make today’s event successful. The work you do each and every day to spread the light and warmth of hospitality to all of our guests is appreciated more than you’ll ever know. YOU are Hilton and YOU are hospitality!” He went on to acknowledge and thank the community leaders and residents of San Luis Obispo for their continued support and partnership.

“The extensive renovation, recently completed at the Embassy Suites by Hilton San Luis Obispo, provides guests with superior accommodations and a highly satisfying stay overall,” stated Tom

Pugh, general manager. “Our spacious two-room suites continue to appeal to business travelers by affording more space to work and relax than the average one-room hotel accommodations in the local market. Families also continue to enjoy spreading out within the two separate rooms. The newly renovated atrium provides guests ample seating and space to spend time with family and friends as well as technological updates including functional tables with lighting, outlets and USB ports.” Pat Nesbitt, Owner and CEO, made a heart-felt speech, citing “a 24 year love affair with this hotel as it was the first hotel we purchased in California and it was only appropriate to make the investment back into the hotel and meet the expectations of the market and our guests.”

The 195 room all-suite hotel is owned and managed by Windsor Capital Group, Inc (aka WCG Hotels), is located at 333 Madonna Road and offers guests a perfect location along the California’s Central Coast near Cal Poly University with easy access to all of the areas beaches and nearby attractions. The hotel features 15,000 square feet of flexible meeting space spread amongst 12 different meeting rooms, and is the largest meeting facility in the County, hosting numerous local, state-wide and regional events throughout the year and is a top destination for events such as family reunions and social gatherings.

Embassy Suites by Hilton San Luis Obispo provides guests with a full complement of services and amenities. Travelers enjoy free made-to-order breakfast each morning, a nightly complimentary Evening Reception\* and spacious two-room suites with a separate living area, private bedroom, two flat-screen high-definition televisions and wet bar fitted with a microwave, mini-fridge, in-room safe, and coffeemaker. Additional amenities include complimentary airport/train station shuttle, indoor heated pool, complimentary 24-hour fitness center, business center, and onsite car rental services. Guests have access to digital check in where they can choose their own room and digital key access via their mobile phones for direct and hassle free entry to their suite.
