***Inc. Magazine Unveils Its 37th Annual List of America's Fastest-Growing Companies - the Inc. 5000****Dom & Tom Becomes a 5-Time Inc. 5000 Repeat Honoree*

**NEW YORK, NY** – *Inc.* magazine today revealed that digital product agency, Dom & Tom is No. 3023 on its 37th annual Inc. 5000 list, the most prestigious ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment—its independent small businesses.

2018 marks the fifth year that Dom & Tom has made the list. Of the tens of thousands of companies that have applied to the Inc. 5000 over the years, only a fraction have made the list more than once. A mere one in ten has made the list five times, making this a truly extraordinary accomplishment for Dom & Tom.

Not only have the companies on the 2018 Inc. 5000 been very competitive within their markets, but the list as a whole shows staggering growth compared with prior lists. The 2018 Inc. 5000 achieved an astounding three-year average growth of 538.2 percent, and a median rate of 171.8 percent. The Inc. 5000's aggregate revenue was \$206.1 billion in 2017, accounting for 664,095 jobs over the past three years. Complete results of the Inc. 5000, including Dom & Tom's company profile, can be found online at [www.inc.com/profile/dom-tom](http://www.inc.com/profile/dom-tom).

"If your company is on the Inc. 5000, it's unparalleled recognition of your years of hard work and sacrifice," says *Inc.* editor in chief James Ledbetter. "The lines of business may come and go, or come and stay. What doesn't change is the way entrepreneurs create and accelerate the forces that shape our lives."

Dom & Tom recently moved their New York City headquarters to a more massive 10,000 sq. ft. full-floor office on famed Wall Street keeping their presence known in the bustling Financial District to support their ongoing growth. Not only is their NYC team growing at a steady pace, but they continue to expand their teams in Chicago, IL and Los Angeles, CA.

"Every year we seek to challenge ourselves and our team to push the boundaries of innovation, change, and learning by reflecting on the previous year's progress. Because of that, we are proud to be included on the Inc. 5000 list for the 5th year in a row, and we share this honor with all our team members and clients," says Co-Founders Dominic and Tom Tancredi.

As Dom & Tom prepares to enter their 10th year of business, they plan to evolve their digital services and continue to dive deeper into new and emerging technologies such as blockchain, cryptocurrency, augmented reality and more.
