FOR IMMEDIATE RELEASE

Trideum Corporation Named to *Inc. Magazine's* Inc. 5000 As One of America's Fastest-Growing Private Companies

Huntsville, Alabama. August 16, 2018 – Trideum Corporation, a leading solutions and services provider for U.S. defense agencies, was named to the 37th annual Inc. 5000, the most prestigious ranking of the nation's fastest-growing private companies. The Inc. 5000 list represents a unique look at the most successful companies within the American economy's most dynamic segment – its independent small businesses.

This is the sixth time Trideum has been included since its founding in 2005, and with this repeat recognition, they now join the ranks of well-known businesses like Microsoft, Dell, Domino's Pizza, Pandora, and LinkedIn to name a few, who gained their first national exposure as honorees on the Inc. 5000.

Over the years, tens of thousands of companies have applied for the Inc. 5000 honor, and only a fraction have made the list more than once. Only six percent have made the list at least six times, including Trideum, now part of the Inc. 5000 Hall of Fame.

"This is another great honor for our company and we are thrilled to celebrate our growth with this prestigious recognition," said Van Sullivan, Trideum's president and CEO. "Our company's success is directly related to our talented and passionate team that supports our clients and initiatives."

Trideum posted a three-year revenue growth of 61 percent, which earned them a placement of 4870 on the 2018 Inc. 5000 list. Headquartered in Huntsville, Alabama, Trideum has an additional office in Leavenworth, Kansas, and has expanding work in Orlando, Florida.
