

PRESS RELEASE

FACTON Named Among “The 30 Most Valuable Tech Titans” by Insights Success

Efficiency and Profit through Groundbreaking Cost Management Software

Troy, Michigan – August 23, 2018 – FACTON, the leader in Enterprise Product Costing (EPC), today announced it was named among “The 30 Most Valuable Tech Titans” by *Insights Success*, a leading business magazine. Tech Titans are leaders in their industries, embracing emerging technologies and helping to redefine the future of technology.

FACTON is gaining prominence across the globe for its cutting-edge product costing solutions. The flagship Enterprise Product Costing software standardizes costing across the enterprise and delivers maximum product cost transparency at every phase of the product lifecycle.

“We are honored to be recognized by Insights Success Magazine as one of the 30 Most Valuable Tech Titans of 2018,” said Alexander M. Swoboda, FACTON Chairman and CEO. “This achievement is a clear indicator that our customers are gaining efficiency and profiting from our enterprise product costing solution.”
