Paramount WorkPlace Procurement and Expense Management Solution Certified by Acumatica

The Paramount WorkPlace spend management solution is recognized as an "Acumatica-Certified Application" by the Cloud ERP company

Detroit, MI – September 10, 2018 - Paramount WorkPlace, a leading software developer and provider of cloud-based and mobile spend management software solutions, today announced that its software has been recognized as an Acumatica-Certified Application (ACA).

Acumatica is a comprehensive, browser-based Cloud ERP solution optimized for ease of use, adaptability, mobility, speed, and security. The ACA title highlights outstanding development partners like Paramount WorkPlace, whose applications have met the highest standards set for Acumatica integration and functionality.

"Customers who want to stay competitive need flexible, responsive technology to execute their long-term business strategies," said Christian Lindberg, Vice President of Partner Solutions at Acumatica. "Our ACA label is built to help customers find applications capable of delivering that. We're proud to recognize Paramount WorkPlace as an Acumatica-Certified Application. It masterfully utilizes the Acumatica platform to meet customers' growing business demands."

To become an Acumatica-Certified Application, Paramount WorkPlace has demonstrated commitment to quality by passing the Acumatica software test and aligning its spend management solution to future Acumatica roadmap releases.

"We are excited to receive this recognition from Acumatica," said Salim Khalife, President and CEO of Paramount WorkPlace. "The certification confirms the strength of our application and the depth of our seamless integration with the Acumatica platform. With our suite of capabilities and Acumatica's solid cloud foundation, our joint customers will benefit from a leading business management solution and a comprehensive spend management solution that work in concert."

"Paramount WorkPlace is a powerful requisition, procurement, and expense management software solution, made even more powerful through integrations to leading Cloud ERP solutions like Acumatica," said Khensa Bangert, Vice President of Marketing and Business Development for Paramount WorkPlace.

About Paramount WorkPlace

Paramount WorkPlace develops, sells, and supports advanced web-based and mobile requisition, procurement, and expense software solutions for mid-market and enterprise organizations. With over 131,000 worldwide users, Paramount WorkPlace cloud-based and on-premise solutions are trusted by global, national, and local brands for their powerful capabilities, intuitive features, and the option for a stand-alone and integrated extension of Acumatica and many major ERPs.
