Artisan-Inspired zpizza Reopens in Phoenix

IRVINE (September 4, 2018) – [zpizza](#), the first artisan-inspired pizza chain, today announced the reopen of the zpizza on West Thomas Road in Phoenix, AZ. The restaurant, which closed earlier in the year, reopened under new management on September 3rd.

Ideal for families who want convenient, tasty and nutritious choices, the midtown Phoenix eatery serves zpizza’s signature artisan brick oven baked pizzas made with premium ingredients, including fresh produce, award-winning skim mozzarella, certified organic tomato sauce and non-GMO flour. Customers appreciate the variety of gluten-free and vegan options available. Other trademark menu items include wings, shareable appetizers, salads, and build-your-own Jr. Chef pizzas for kids.

“The Phoenix community values quality food as much as we do. The ingredients we use at zpizza are not only better for you, they taste better too,” explains Rob Curcio, owner of the re-opened zpizza and the zpizza Tap Room in Oro Valley. “We’re thrilled to bring these delicious pizzas and other offerings back to Phoenix.”

The zpizza is located at 53 West Thomas Road in midtown Phoenix near St. Joseph’s Hospital. The restaurant seats 40 people with additional seating on the pet-friendly outdoor patio. Hours of operation are 11:00 AM to 9:00 PM seven days a week.

Like all zpizza locations, Phoenix offers the choice of dine-in, take-out and catering in addition to [online ordering](#), so patrons can customize orders with ease from the comfort of their home or office. For more information, please call (602) 583-7002. Customers can join [zTribe](#) to receive alerts of new menu items as well as special discounts and offers all year long.

zpizza restaurants are located across the globe, with locations in the United States, South Korea, Vietnam and the UAE. For more information, please visit www.zpizza.com and connect on [Facebook](#), [Twitter](#) and [Instagram](#).
