National Ministries Announce Historic Partnership

BURLESON, Tex. || GRAND RAPIDS, Mich., Sep. 25, 2018 – The largest prayer movement in the world, [See You At The Pole](#), has been encouraging a student-led moment of prayer around school flagpoles on the fourth Wednesday of September since 1990. At this year’s event on Wednesday, September 26, 2018, organizers are expecting more than 1,000,000 students across the world to gather and pray for their campuses. Partnering with nationally recognized [Claim Your Campus](#), a student-led campus prayer ministry, is a historic decision with instant and positive outcomes. Since 2004, Claim Your Campus has been equipping, training, and sustaining middle and high school students to pray for their schools on a weekly basis.

In light of recent tragedies, the school campus has resurfaced as the focus of conversation and debate in our society. All believe that our school campuses should be safe, positive, and fair for every student. Student-led prayer is the first and best way to make this happen. **See You At The Pole** and **Claim Your Campus** envision a day when students are praying every day, at every middle and high school, in order that every student may have the opportunity to know the love of Christ.

Today marks a new chapter in **See You At The Pole’s** history as they join forces with **Claim Your Campus** to see the power of prayer transform students and schools.

Through the use of their mobile app, **Claim Your Campus** is already mobilizing tens of thousands of students who are praying every week for GRACE, PEACE, JUSTICE, and MERCY on their school campuses. This partnership has the potential to dramatically increase those numbers in one day.

These are unprecedented and challenging times for students. More than ever, students need to know that they are loved and that they matter to God. **See You At The Pole** and **Claim Your Campus** believe that together, they can show students that they care, and that they are safe and supported at school. But most importantly, they can help every student know that there is a God who loves them.
