Square 9 Presents 3rd Consecutive Encompass End User & Reseller Conference

Encompass 2018 Offers Insight and Best Practices for Latest Innovations in Content Management

NEW HAVEN, CONN., October 3, 2018 - Square 9® Softworks welcomes its dedicated dealer channel and their customers back to Encompass 2018, an exclusive information management conference delivering three days of intuitive education, networking, and idea sharing.

Being held from October 3rd - 5th at the Gaylord Opryland Resort & Convention Center, in Nashville, Tennessee, Encompass 2018 provides attendees the opportunity to better understand the direction of cutting-edge ECM technology and how it can bring their organizations to the next level of productivity. Reseller and End User communities will gain exclusive insight into Square 9's product innovation strategy, with a significant focus on the new Solutions Delivery Network being presented at this event. Additional topics include the unveiling of new integration strategies with key partners like Fujitsu and Konica Minolta in regard to enhanced cloud-hosted information management.

With a strong focus on product and industry education, attendees will benefit from technical sessions ranging from the new GlobalForms 10 platform, the evolving role of compliance and information governance in organizations, or new ways to successfully assess needs and deploy ECM solutions to their customers. Square 9 has developed exclusive education for Encompass 2018 to specifically fit the agenda of their unique audience.

Square 9 will also take this opportunity to honor their elite dealers for top performances at the EDGE Awards Ceremony, held at the historic Grand Ole Opry, home of American music. New this year, Square 9 will also be recognizing their most valued customers within categories that include Most Innovative Solution, Best Integrated Solution, Business Impact Award and the Enterprise Efficiency Award.

"Encompass 2018 is our highest attended conference yet with a net increase of almost 40%. We've seen a notable increase in interest from our end user community, more dedicated sponsor participation, and a wider-range of Reseller expertise," said Ethan Voltolini, Square 9 Director of Marketing. "Over the next three days, we plan to provide a forum for our attendees to learn more about our solutions that will allow them to discover new ways to embrace Enterprise Content Management technology."
