

PRESS RELEASE

## **Barfield, Inc. Goes *Live* with Quantum Control ERP Software**

RAI AMSTERDAM, Netherlands – October 17, 2018 – From the Aviation Week [MRO Europe](#) 2018 Conference, booth #3022, [Component Control](#) announced today the successful “go live” status of Barfield, Inc. Barfield, Inc. is a wholly owned subsidiary of Air France Industries KLM Engineering & Maintenance (AFI KLM E&M) and a leader in repair overhaul and support.

Barfield has several locations including Miami, Tempe and Louisville that are now live on the Quantum Control ERP/MRO software.

“We chose Quantum because of the overall product capabilities, aviation knowledge, flexibility, reliability and process support for our MRO business,” said Didier Astic, Vice President of Supply Chain & Asset Management at Barfield.

“We are very excited to be working with a leading innovator in MRO in the Aviation space,” said Todd Lewis, President of Component Control. “Working with Barfield has improved our core software and extended our capabilities, making us a more valuable solution for Global Aviation MRO companies.”

### **About Component Control**

[Component Control](#), a [CAMP Systems Company](#), is a leading developer and provider of MRO and Logistics Software solutions for the aviation industry. Supporting the core business of over 1,600 companies in over 60 countries, Quantum Control Software is the undisputed leader in providing advanced aviation management software and services to original equipment manufacturers, aftermarket service divisions, component repair and overhaul companies, aircraft completion centers, MRO facilities and part distribution/redistribution companies.

### **About Barfield**

Barfield consists of 500 employees across its facilities in Miami, Phoenix, Louisville and Atlanta. With its leading facilities, Barfield can satisfy the needs of customers operating commercial or regional fleets in North, Central and South America. From MRO Services to Distribution and Ground Support Test Equipment (GSTE), Barfield provides complete tailor-made support programs for A320 family, Boeing 737,757&767, Bombardier, Dash 8, ATR 42 & 72 and Embraer 170 & 190 aircraft to operators in need of inventory and logistics solutions, repair management programs, engineering and fleet support, and component reliability management. Barfield is part of the AFI KLM E&M network, a major MRO provider.
