**MonarchFx, a Business Unit of Tompkins International,
Hires Another Expert in Product Development and Deployment**
Stephen Bullard joins the MonarchFx Product Development and Deployment team.

Raleigh, NC - MonarchFx, a business unit of [Tompkins International](#), is proud to announce Stephen Bullard as our Vice President of Product Development and Deployment. Bullard will join our team to assist with the development, procurement, integration, implementation, enhancement, and maintenance of a suite of integrated, best-of-breed applications designed to deliver rapid value and a competitive advantage for MonarchFx sellers.

Bullard joins [MonarchFx](#) with 25 plus years of supply chain and logistics global experience. He has implemented ongoing success for multiple organizations including both vendors and shippers. Before joining MonarchFx Bullard was Vice President with Pilot Freight Services, Senior Manager for Darden Restaurants, and Manager at PepsiCo Food Systems. Holding a Bachelor of Science from Allegheny College, along with an extensive work history, “I am happy to announce Stephen will help continue to grow MonarchFx’s technologies, creating more and better information for our sellers and their customers,” Jim Tompkins, CEO, MonarchFx.

About MonarchFx

MonarchFx is an alliance of leading logistics service providers, supply chain technology providers, and partners, managed by experienced executives, that provides world-class logistics and fulfillment solutions through an innovative logistics ecosystem. It serves retailers, brands, and other sellers with multiple fulfillment channels, providing speed, quality, and efficiency, operating with distributed logistics centers for nationwide coverage, allowing for same-day delivery. It is high-service, facilitated by advanced robotics, analytics, and artificial intelligence methods for inventory allocation. For more information about MonarchFx visit: www.monarchfxgo.com.

About Tompkins International

A supply chain consulting and implementation firm that maximizes supply chain performance and value creation. We enable clients to be more profitable and valuable, while also becoming more agile, flexible, and adaptive to the marketplace. Tompkins collaborates with client teams to develop improved operations strategies, supply chain planning, and execution across all the Mega Processes of supply chains (PLAN-BUY-MAKE-MOVE-DISTRIBUTE-SELL). Tompkins is headquartered in Raleigh, NC and has offices throughout North America and in Europe and Asia. For more information about Tompkins International visit: www.tompkinsinc.com.
