

# TACTICAL 360° HELMET CAMERA

## Law Enforcement Tools for the **21st Century!**

The **Tactical 360** is the world's first and only riot helmet with a low-profile camera integrated into the top of the helmet to provide a full 360° view surrounding the officer at all times.

- Captures 360° video and audio during potentially aggressive incidents
- Designed to meet various threat levels including low velocity projectiles, bottles, rocks, and bricks
- Riot face shields are designed to fit over most gas masks with an optional rubber seal to prevent fluids from getting into the officer's face and eyes

***Tell the Whole Story in 360!***

### ***Better with Fortify***

Utilizes Fortify Evidence Management Technology

### ***12 Hour Battery***

- Internal battery lasts up to 12 hours in standby, with up to 4 hours of continuous record time

***Blue Line Innovations***

3917 Volunteer Drive, STE 6-A · Chattanooga, TN 37416 · BLI360.com · (833) 270-5355

*The Tactical 360 is the worlds first and only riot helmet with a low-profile camera designed into the top of the helmet to provide a full 360° view surrounding the officer at all times. Camera captures 360° video and audio during incidents of civil unrest, riots, cell extractions, etc. to not only capture what is in front of the officer, but also beside and behind the officer.*

*The Super Seer helmet is designed to meet various threat levels including low velocity projectiles, bottles, rocks, and bricks. The Seer Riot Helmets are manufactured using individual shell sizes to give a better more secure fit. Riot face shields are designed to fit over most gas masks and are available with an optional rubber seal to prevent fluids from getting into the officer's face and eyes.*

### Benefits of Tactical 360 Helmet Cameras

- Camera location captures incident details without obstructions
- Increases transparency and officer accountability
- Bluetooth triggers video when emergency equipment is activated
- Blind Spot Awareness
- Integrates with Fortify Storage
- Waterproof & Shockproof
- 60 FPS, Frame Rate

### Tactical 360 Helmet Camera Key Features

- World's first true 360° body camera capturing the full picture of an incident in seamless 360° video
- Light sensitive to .5 lux, does not have the ability to see better than officer's eyes
- No lights or LCD screen to mark officer as a target
- Available 30 second pre-event recording
- Captures the entire story in 360°
- Cameras can be removed and replaced if the helmet is damaged
- Recharge battery with mini-USB cell phone charger
- Web based, intuitive Digital Case & Evidence Management solution - Fortify
- 1 year manufacturer's warranty

### Tactical 360 Helmet Camera Construction

#### SHELL:

- FIBERGLASS full coverage shell with multiple layer impact absorbing materials
- Integral molded visor
- Dull matte finish

#### LINER:

- Semi-resilient energy absorbing material throughout inside of helmet

#### INNER SHELL:

- ABS molded plastic to seal off the liner and to protect it from solvents, hair oils and body perspiration

#### SUSPENSION:

- Perforated replaceable cushion pad sizing system for size adjustment and air flow
- The cushion pads furnished with each helmet shall be in ¼" & 3/8" thickness to allow for proper sizing

#### RIOT FACESHIELD:

- Maximum coverage and protection, injection molded high-impact polycarbonate
- Optical grade .100 inches thick.
- Easily adapts to gas mask use age.
- Allows full 90° rotation with a cam-action pivot
- Neoprene seal to provide a liquid seal between the face shield and the helmet

### Tactical 360 Helmet Camera Specifications

#### RECORDING:

- Up to 4 hours of continuous record time
- Video Format: 1440x1440, 2048x2048, 2880x2880
- Video Record Rate: Up to 10Mbps CBR
- Audio Format: Stereo, 48kHz, 96 kbps AAC

#### OPTICS/LENS:

- Lens Type: 8 Element Glass Ultra Fisheye Lens
- Field of View: 240° Front Facing, 360° Shoulder/Helmet/Dash

#### POWER:

- Internal: Built-in Li-Polymer Battery 2100mAh

#### FEATURES:

- Keys: One Operation Key (Power ON/OFF, Recording Start/Stop)
- LEDs: 3 Color LED (R,G,B)
- Microphone: Built-in Dual Omni-Directional Microphones
- Sensors: Accelerometer, E-Compass, Non-Assisted GPS, Gyroscope
- Storage: Internal 128GB
- Wi-Fi: 2.4GHz & 5GHz 802.11 b/g/n
