

## Bright Now Dental Kicks Off the Share a Smile Food Drive

Nine Bright Now Dental locations in the Mid Atlantic area join the fight against hunger

Nine [Bright Now!® Dental](#) locations across the Mid Atlantic area are joining forces with local food banks to collect food items to be distributed to people in need across their communities. The Share a Smile Food Drive is already underway!

By turning the Bright Now Dental offices into Share a Smile Food Drive drop-off points, they are making it easier than ever for area residents to make a positive impact on the lives of their neighbors across the community. The nine drop-off locations include:

- Free exam and X-rays (available to new patients)
- \$100 off dental services

“All of us at Bright Now Dental have strong connections to the communities we serve,” notes Rick Berryhill, Director of Market Operations. “We believe that no one should be left hungry any time of the year, and we’re proud to stand together with our local food banks to gather much-needed food for our neighbors in need.”

To make a person smile this season and earn valuable discounts on dental treatments, bring five or more non-perishable food items to the nine Bright Now Dental locations.
