MonarchFx, a Business Unit of Tompkins International, Hires an Operations Expert
Warren Bishop named to oversee the MonarchFx distributed logistics facilities.

Raleigh, NC - MonarchFx, a business unit of [Tompkins International](http://www.tompkinsinc.com), is proud to announce Warren Bishop as our Operations Director. Bishop will oversee all [MonarchFx](http://www.monarchfxgo.com) distributed logistics facilities located throughout the United States and Canada.

Previously, Bishop was the Vice President of Finance, Planning, Analysis, Reporting, and Process Improvement for Macy's Logistics. He also has experience as the Senior Vice President of Logistics at Levitz Furniture, Vice President of Supply Chain at Giggle, and Director of the East Region Distribution at Toys R Us.

Bishop has set logistics strategy and run home delivery for three retailers, led a private fleet, and has improved the productivity of 34 different distribution or fulfillment centers by an average of 27%. His operational experience is deep across many different retail and product categories including furniture, appliance, apparel, consumer packaged goods, toys, infant care, and jewelry.

Bishop is a veteran of the United States Armed Forces, with service as an Infantry Officer, Airborne, Ranger, and Commander during the Panama Invasion, Operation Just Cause. He received his Bachelor of Arts from Wake Forest University. Bishop is currently a Board Member of the New Jersey Institute of Technology's School of Management.

About MonarchFx

MonarchFx is an alliance of leading logistics service providers, supply chain technology providers, and partners, managed by experienced executives, that provides world-class logistics and fulfillment solutions through an innovative logistics ecosystem. It serves retailers, brands, and other sellers with multiple fulfillment channels, providing speed, quality, and efficiency, operating with distributed logistics centers for nationwide coverage, allowing for same-day delivery. It is high-service, facilitated by advanced robotics, analytics, and artificial intelligence methods for inventory allocation. For more information about MonarchFx visit: www.monarchfxgo.com.

About Tompkins International

A supply chain consulting and implementation firm that maximizes supply chain performance and value creation. We enable clients to be more profitable and valuable, while also becoming more agile, flexible, and adaptive to the marketplace. Tompkins collaborates with client teams to develop improved operations strategies, supply chain planning, and execution across all the Mega Processes of supply chains (PLAN-BUY-MAKE-MOVE-DISTRIBUTE-SELL). Tompkins is headquartered in Raleigh, NC and has offices throughout North America and in Europe and Asia. For more information about Tompkins International visit: www.tompkinsinc.com.
