

INTRODUCING

BioGraph[®] INFINITI

360

A PANORAMIC VIEW OF YOUR CLIENT'S PSYCHOPHYSIOLOGY

THE NEW **360 SUITE** THINKS LIKE YOU

BioGraph Infiniti 360 includes the most clinically oriented suite we've ever offered. The suite's tools are categorized and customized by body system: Respiratory, Cardiovascular, Central nervous system (CNS), autonomic nervous system (ANS), and Muscular. Based on the client's condition, you select the affected system and the 360 points you in the right direction for your intervention.
