## LUCAS SYSTEMS IS NAMED TO FOOD LOGISTICS 2018 FL100+ LIST OF TOP PROVIDERS OF FOOD AND BEVERAGE DISTRIBUTION SOFTWARE AND TECHNOLOGY

More than 100 Food and Beverage DCs use Lucas Mobile Work Execution Solutions and Voice Directed Warehouse Applications For Efficient, Accurate Distribution, Improved Product Traceability, and Reduced Labor Costs

PITTSBURGH, PA, December 18, 2018 – Lucas Systems, Inc., the leading provider of solutions for intelligent mobile work execution for warehouses and distribution centers, has been named by *Food Logistics* magazine to the 2018 FL100+ list of the top providers of software and technology to global the food and beverage companies. Food and beverage distribution software solutions from Lucas are used by more than 100 leading grocery, foodservice, convenience, beer, wine and spirits, and beverage distribution centers.

The annual FL100+ Top Software and Technology Providers list serves as a resource guide of software and technology suppliers whose products and services are critical for global supply chains in the food and beverage industry.

“The digital supply chain continues its rapid emergence, bringing with it expanded capabilities that impact visibility, security, compliance and efficiency,” remarks Lara L. Sowinsky, editorial director for *Food Logistics* and its sister publication, *Supply & Demand Chain Executive*. “Every aspect of the global food supply chain stands to benefit from new and innovative software and technology that is fundamentally changing the global food supply chain.”

Leading food and beverage producers, distributors and retailers have long-relied on Lucas solutions to optimize DC operations and improve warehouse management. Growing numbers of distribution centers are installing Lucas Mobile Work Execution Solutions to improve warehouse execution alongside ERP, WMS and other inventory systems. Lucas solutions help companies reduce costs, improve inventory and order accuracy, and enhance product traceability. They make work easier and better for hourly associates and warehouse supervisors.

### **About Food Logistics**

*Food Logistics* is published by AC Business Media, a business-to-business media company that provides targeted content and comprehensive, integrated advertising and promotion opportunities for some of

the world's most recognized B2B brands. Its diverse portfolio serves the construction, logistics, supply chain and other industries with print, digital and custom products, events and social media.

**About Lucas Systems, Inc.**

Since 1998, Lucas Systems has pioneered warehouse productivity solutions for mobile workers and distribution center managers. Customers like C&S Wholesale Grocers, The Container Store, HD Supply, Johnson & Johnson, Kennametal, Rust-Oleum, and True Value trust Lucas to deliver solutions that greatly improve worker productivity and accuracy because Lucas truly understands warehouse operations. Lucas Mobile Work Execution solutions optimize hands-on processes and seamlessly combine voice, barcode scanning, and other mobile technologies to improve worker productivity, eliminate errors, and boost end-to-end DC efficiency. The solutions also provide managers and supervisors with real-time reporting and management tools that help them better manage their operations.
