FirstService Residential Dallas Office Grants Wishes for 30 Families on The Salvation Army Angel Tree

DALLAS (December 17, 2018): 'Tis the season of giving, and FirstService Residential was inspired by the generosity of The Salvation Army Angel Tree program. FirstService Residential associates in the Dallas Office adopted 30 local families in need this year.

Mr. Victor Riley, Community Manager at FirstService Residential, led the initiative by hanging 30 Angel Tree tags on the office Christmas tree. Each tag displayed the wish list of a local underprivileged child. Associates took the Angel tags and purchased gifts according to each wish list. Gifts were later transported to The Salvation Army, which granted the Christmas wishes of the respective families served by The Angel Tree.

"Every child deserves to have a good Christmas. At FirstService Residential, we take pride in serving our community. Serving others is an essential part of our mission (hence our name), and we strive to fulfill this mission every day. Serving families in need this holiday season is the best way to spread Christmas cheer," says Mr. Riley.

It only took a week and a half for FirstService Residential associates to fulfill the wishes of all their adopted families. The FirstService team plans to continue supporting The Salvation Army Angel Tree program for years to come.

The Angel Tree program has been a tradition in the Dallas area for over 30 years. This year alone, the Angel Tree will grant the Christmas wishes of more than 45,000 children.
