Heritage Place Wins 2019 Best Senior Living: Caring Stars 2019 Award from Caring.com

Fayetteville, NC – 1/14/19 – Heritage Place Independent Living and Assisted Living, a Meridian Senior Living community, is proud to announce that they have been selected as one of the Caring Stars 2019 Award Winners on Caring.com, the nation’s largest website for senior living ratings and reviews.

Caring.com’s Caring Stars 2019 Award Winners represent the top-rated senior living communities in the nation, based on the online reviews written by seniors and their families. For 2019, there are 144 senior living communities in 36 states recognized for service excellence.

Heritage Place is one of the only winners in Fayetteville, NC and regularly receives highly positive reviews from their families like this one:

“We're in the process of moving into Heritage Place. The staff and the people are very friendly. The food is great. The rooms are nice and relatively new. They remodeled them to keep them that way. They have a variety of options from studios up to 2-bedroom, 2-baths. We have two rooms. My husband is in a handicapped studio and I am in a 1-bedroom. They have a lot of activities. They have a bus to take you shopping and to appointments. They have a small gym with free machines. The big thing for me is that it is right next door to my church, so I don't need a car to get to church.”

“Congratulations to these highly-rated communities for achieving such significant praise from their customers in online reviews, helping them to stand out as among the best in the nation for 2019,” said Caring.com CEO Jim Rosenthal. “In looking at Caring.com’s directory and referral data over several years, we’ve seen that Caring Stars communities attract twice as many new resident inquiries and move-ins than communities without the award. This annual list helps older adults and their families quickly and easily identify those senior living communities best poised to meet their needs.”

To be recognized as a Caring Star of 2019, senior living communities must have an overall average rating of 4.5 or higher, have 10 or more consumer reviews, have 3 or more reviews since October 2017 and respond to any 1-star or 2-star reviews on their listing.
