

Why Bee Line?

The Cutting Edge of Clean

WE'RE LOCAL

With our headquarters located in Pilsen, we are true Chicagoans through and through.

Our close proximity to your sites guarantees prompt and focused service, every single time. See page 2 for the visual.

We also offer 24/7 service, so you can sleep peacefully knowing that our team of bacteria-busting professionals are on the job at all hours of the day.

OUR CAPABILITIES

We pride ourselves on our broad scope of capabilities. Some resources and highlights of our services include:

- Day Porter Services
- Emergency services for commercial and industrial
- Flood and Restoration Services
- Compliance Managers with specialized training and a Certificate of Mastery in Infection Prevention (CMIP)
- Carpet cleaning and floor care

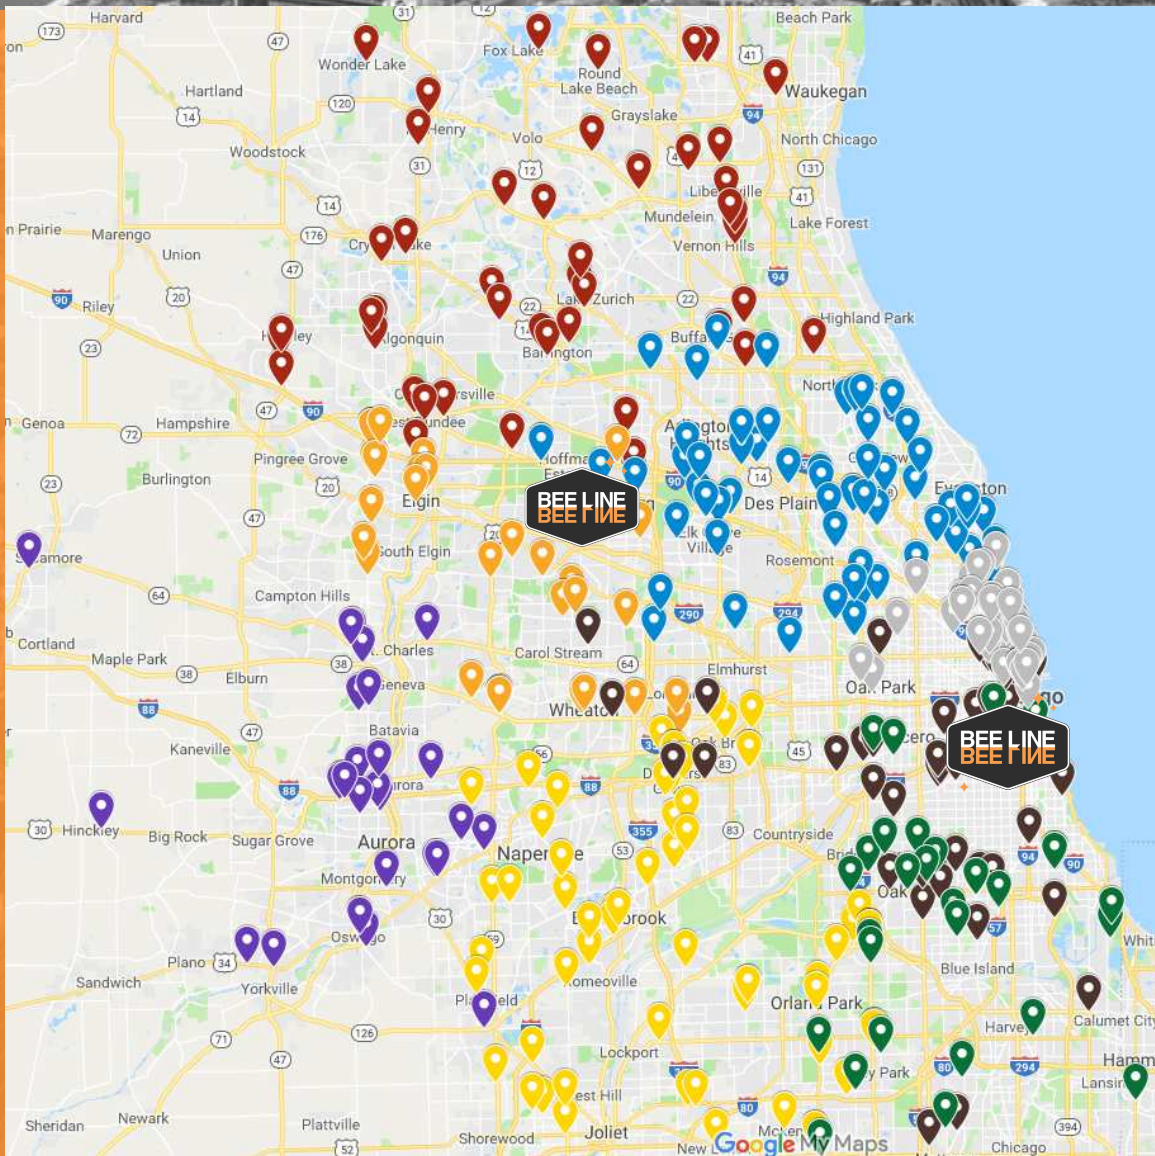

DETAILS MATTER

We take clean seriously. So seriously that we go to great lengths to give your facility the TLC it deserves.

- We don't subcontract. The people who clean your facility are Bee Line employees, guaranteed.
- We use new supplies and equipment for each facility
- We use the highest infectious control standards in the industry. Seriously.

We're Right Around the Corner!

Bee Line Support services over 140 Advocate Medical sites, the entire Silver Cross Portfolio, all Walgreens Medical Clinics 7 days per week, and many independent surgical centers across the greater Chicagoland area. We have a Corporate office in Downtown Chicago, and a satellite office in Schaumburg, Illinois.
