FOR IMMEDIATE RELEASE

Human Capital Concepts Reveals New Website

INDIANAPOLIS, IN (January 22, 2019) - Human Capital Concepts (HCC) is delighted to announce the launch of their new website - www.hcchr.com. The arrival is long anticipated and will give visitors a valuable, more intuitive experience helping them to understand HCC's business and how it can be an extensive resource for current and perspective clients - who are looking for HR solutions and information about PEO services.

With a fresh new look and feel, HCC's new website and brand identity help users explore the opportunity of extensive service offerings with simplicity and ensures visitors are getting a "user-friendly" experience across all digital devices.

"We are excited to launch our new company website to our existing customers, partners, and visitors who are looking to understand HCC's HR solutions and quality of service," said CEO Harlan Schafir. "This website redesign is another way we, at HCC, are committed to creating a better experience for our customers and website visitors."

HCC's new website will be regularly updated with news on specific HR topics like: how to retain and attract top talent for your business, creating a long-term benefits strategy, company wellness, as well as accomplishments and HR training events. Visitors are encouraged to explore the new website and sign up for HCC's mailing list to receive direct emails on HR solutions for businesses.
