

Box Latch[™] Products

For Immediate Release Box Latch[™] Products debut new Corner Clip product

Pewaukee, WI – February 12, 2019 —Box Latch Products made by Eco Latch Systems is pleased to announce the following:

- The latest addition to our product line is the patent pending Corner Clip. It...
 - Converts corrugate boxes to re-usable totes
 - Allows transport of empty or filled open boxes through pick and pack, work-in-process (WIP) and manufacturing processes
 - Saves valuable floor, shelf and/or rack space
 - Allows for boxes to be conveniently filled and stacked for inspections

These game changing, supply chain products gained international attention on February 9-& 10, 2019 on Fox Business News and Bloomberg International via sponsored content appearing on the **Worldwide Business with kathy ireland**[®] tv show. About Box Latch[™] Products. Eco Latch Systems, LLC (ELS), was founded in 2010 by Jack and Jim Wilson with a mission to revolutionize worldwide use and re-use of boxes and cartons. A reusable alternative to tape, staples and bands in closed loop logistics systems, their products enhance box re-use as they reduce costs for tape and boxes, warehouse crane and conveyor downtime, touch points in assembly, distribution and fulfillment centers, warehouse management and injuries to humans or damage to box contents from box knives.
