

Codan Communications Secures \$1.1M US Order from Transylvania County, NC

February 28, 2019

Las Vegas, NV – Codan Communications, February 28, 2019. Prior to IWCE 2019, Codan Communications, a division of Codan Limited (ASX-CDA), has secured a \$1.1M US order from Transylvania County, North Carolina to supply a VHF voted simulcast five site system.

The system was unanimously selected by its commissioners following a highly competitive proposal process. Codan's winning solution will include a multichannel VHF system and include Codan products such as the MT-4E, Stratus and Stratus Controller.

Kevin Shook, Emergency Communications Director for Transylvania County said, "We see a long future with Codan Communications. Their approach uses our current assets with the modernization effort, saving us money while increasing our capabilities and our coverage."

"Supporting municipalities like Transylvania County is an honor for us at Codan Communications. We understand how important this system is for protecting Transylvania County's citizens and its neighboring jurisdictions. Codan is pleased to have been chosen to modernize the county's radio communications and look forward to implementing Transylvania County's vision for cross-county coverage and interoperable communications," said Paul Moskowitz, Vice President for Codan Communications.

About Transylvania County

Transylvania County is located in the beautiful mountains of Western North Carolina, about half way between Asheville, North Carolina and Greenville, South Carolina. The county seat is Brevard, NC. The Transylvania County Courthouse, located in the heart of Brevard, is on the National Register of Historic Places.

Transylvania County is called the "Land of Waterfalls" due to the 250 waterfalls located throughout the county. Whitewater Falls is the one of the highest waterfalls in the Eastern United States. Framed by the beautiful Blue Ridge Mountains, access to Pisgah National Forest, Gorges State Park and DuPont State Forest provide locals and visitors with opportunities for a range of outdoor activities such as hiking, biking, camping, canoeing, tubing, picnicking, and fishing.
