Discover delicious new dining options on St. Maarten and a spectacular beachside bar on Aruba!

CHAPEL HILL, N.C. – [Divi Resorts](#) is upping its food and beverage offerings at [Divi Little Bay Beach Resort](#) on St. Maarten, adding two new restaurants to the resort and a new bar at its stunning pureocean pool. On Aruba, Divi Resorts has opened a new beachside bar, called the Beach Bar, across the street from [Divi Village Golf & Beach Resort](#).

Divi Little Bay’s newest restaurants include, pureroc, the hottest dining experience in town, featuring an incredible selection of fresh meats, seafood and veggies cooked to perfection on a steaming hot lava rock, paired with specially crafted “Roctails” designed to complement each dish, mouthwatering sides and decadent desserts, and The Shack, a grab and go eatery serving up delicious Caribbean jerk, roti, BBQ and more in a casual, laid-back outdoor setting.

Also brand new to the resort, is the pureocean Pool & Bar, an expansive oasis with multiple pools that spill into one another, a stunning ocean view, soothing waterfalls, a central fire pit, a swim-up bar, a hot tub, cabanas and comfortable seating on several terraces.

The final enhancement on St. Maarten was a complete renovation of the signature [pureocean Restaurant](#) led by new Executive Chef Octavio Verhelst, which now features a refreshed modern look with sleek furniture and décor, expanded indoor seating and completely revamped menus full of delicious classics and tasty island favorites. Resort guests, tourists and locals alike can dine in air-conditioned comfort or experience fabulous al fresco seating on the outdoor terrace.

Divi Resorts' brand new Beach Bar, a lively new restaurant and bar on Aruba, serves up delightful snacks and thirst-quenching cocktails with a side of live entertainment and happy hour specials. It's the perfect place to unwind, hang out with a drink and watch an amazing Aruban sunset.

"We're always searching for ways to improve and enhance our resort amenities and we think these new outlets are game-changers for St. Maarten and Aruba," said Marco Galaverna, Divi Resorts President & COO. "The Shack's authentic Caribbean cuisine and pureroc's interactive dining experience add exciting new elements to Divi Little Bay, while the Beach Bar's prime location and unique cocktails satisfy all the senses on Aruba."
