For Immediate Release**Square 9's Strategic Alliance with Selectec Ltd. Expands Solutions Offerings Overseas**

*Selectec now distributing award-winning ECM solutions for
process automation throughout Western Europe*

NEW HAVEN, CONN., March 26, 2019 – Square 9® Softworks, developers of innovative enterprise content management (ECM) solutions, today announced its alliance with Selectec (Select Technology Ltd.) an award-winning UK software company that is a member of the IDEA Alliance, a group of independent companies located across the globe coming together to create an international solutions and support network. The Alliance specializes in distributing Print Management, Document Lifecycle and Fleet Management solutions.

Delivering three decades of innovative and market suitable products to the channel, Square 9 continues to expand internationally with all-in-one solutions for businesses looking to optimize paper-based processes. By working closely with Square 9, Selectec expands their portfolio offering to include award-winning document capture automation, web forms management, business process management (BPM) and enterprise content management (ECM) solutions.

"We are excited about the opportunity to work with Selectec in a strategic alliance to accelerate our international expansion efforts," said Square 9 Director of Marketing, Ethan Voltolini. "Selectec has a proven record of solutions selling success and we know they will continue this positive momentum with the Square 9 suite represented overseas."

"We are thrilled to have identified Square 9 as our favored product suite. Square 9 offers us the perfect storm of maturity, product breadth and innovation that we need," said Selectec Document Solutions Specialist, Damian Potheary. "The ability for a Square 9 customer to have one application suite to manage all document and business processes from end to end is very exciting and the opportunity for Selectec partners and resellers to grow their customer engagements and revenue streams is a massive step in helping them transition into the future."

Together, Square 9 and Selectec will be the unrivalled choice for document capture, process and management solutions throughout Western Europe.

About Selectec

A design engineering company established in 1981, Selectec quickly developed a reputation for technical excellence and innovation. More recently, as the industry has become more solutions-oriented, Selectec's focus has turned from hardware to software. Selectec now distributes high-quality software via its global channel partners while also providing a range of associated professional services. www.selectec.com

About Square 9 Softworks

As a trendsetting software development firm, Square 9 is a creative force in the next generation of both on premise and cloud-enabled Content Management solutions. Intensely customer-focused and highly responsive, Square 9 delivers effective, value-driven solutions and has achieved a reputation for excellence in meeting the rapidly evolving needs of its customers. In addition to GlobalSearch®, the award-winning Content Management solution platform, Square 9 has been widely recognized for its diverse portfolio of products including solutions for Document Capture Automation, Business Process Automation and Web Forms Management. Square 9 Softworks distributes its solutions internationally through a network of highly skilled Channel Resellers from its corporate office in New Haven, Connecticut. www.square-9.com
