Take 5 Oil Change Converts Meineke, Growing Its Business Footprint in the San Antonio Area

Charlotte, N.C. (April 11, 2019) – Drivers in San Antonio, TX can now relax and take five – literally – with the conversion of Meineke Car Care Center on Culebra Road to Take 5 Oil Change. [Take 5 Oil Change](#), a member of the Driven Brands® portfolio, is the nation's growing leader in fast, minor maintenance services and pit crew service.

Take 5 Oil Change prides itself on its convenience, quality and affordability. Its drive-thru oil changes take an average of eight minutes and allows customers to have the luxury of staying in their cars while they wait. Customers are also offered complimentary cold drinks, plus snacks for both children and dogs.

“We’re excited to expand our presence in the San Antonio area and convert Meineke Car Care Center into our fast-growing quick lube chain,” said Gabe Mendoza, brand president. “We look forward to serving the local community as a brand that exceeds customer’s expectations in speed, convenience and service.”

Take 5 Oil Change is the fastest growing quick-lube chain with locations across 19 states. Take 5 Oil Change converted the Meineke Car Care location at 9420 FM 471 Culebra Road, which opened on March 28th.

###

About Take 5 Oil Change

Take 5 Oil Change has been serving customers for more than 30 years. In 1996, Take 5 designed the first "5 Minute Drive-Thru Oil Change" location. Take 5 Oil Change is the market leader in speed and quality and is the fastest growing quick lube chain in the country. Take 5 Oil Change was acquired by Driven Brands in 2016, and today owns more than 300 corporate locations in the United States and began franchising in 2018.
