**Monarch Dental Gives San Antonio, Texas Another Reason to Smile
In Partnership with Smiles for Everyone Foundation, Monarch Dental Provides Free
Dental Services to nearly 50 Individuals in Need**

San Antonio, Texas – April 13th, 2019 – [Monarch Dental](#) partnered with the [Smiles for Everyone Foundation](#) and opened its [San Antonio office](#) to provide free dental services for underinsured, low-income individuals on April 6th.

Volunteers from various Monarch Dental offices gathered early Saturday morning to deliver Smiles for Everyone in Texas! The Team, comprised of nine doctors and their eager support staff, delivered over \$40,000 of donated dentistry to the underserved communities of San Antonio. These low-income patients were made aware of our Day of Giving through the Smiles for Everyone Foundation's partnerships with local nonprofits, such as [Arms of Hope](#), a shelter for women and children; [Big Brothers Big Sisters of America](#), a program designed for underprivileged youth; and [SAM Ministries](#), an organization that supports the homeless population.

Nearly 50 patients were able to receive free [x-rays](#), [cleanings](#), [fillings](#), [extractions](#), fluoride treatments and more. For some, the most beneficial experience was learning how to practice better oral hygiene from a licensed professional. Patient Teneisha R., from the [Salvation Army](#), stated, "I feel better educated, and cleaner! I'm proud of you all for extending your business to help those without a dental plan."

The Smiles for Everyone Foundation would like to give a warm thanks to all of our hardworking volunteers, including Dr. Houssam Alghadban, Dr. Jose Arevalo, Dr. Vanessa Bednarik, Dr. Arthur Bryant, Dr. Marc Ervin, Dr. Taoufik Faddoul, Dr. Edgardo Gonzalez, Dr. Nareej Nagella, and Dr. Robin Schroeder. It is each of their compassion and dedication that provided the San Antonio community with another reason to smile.

The next Day of Giving that the Foundation will be hosting will be in Mesa, Arizona on April 14th. Please visit www.smilesforeveryone.org for more information.
