Galaxy Wire & Cable Announces HUBZone Certification

Galaxy Wire & Cable, Inc. is now certified by the US Small Business Administration (SBA) as a qualified HUBZone (Historically Underutilized Business Zone) small business. Galaxy is a leading supplier and manufacturer of custom and stock wire and cable.

Horsham, PA, May 8, 2019 - Galaxy Wire & Cable, Inc. (<https://www.galaxywire.com>), a leading cable and wire supplier, announces that as of May 1, 2019, it is now certified by the US Small Business Administration (SBA) as qualified HUBZone (Historically Underutilized Business Zone) small business. Galaxy is now eligible for preferential consideration for contracts the US government, whose annual goal is to award at least 3% of all federal contract dollars to HUBZone-certified small businesses. Galaxy's location in Horsham, PA is in an SBA-designated HUBZone, and Galaxy meets the strict HUBZone requirements as a small business owned by a US citizen with at least 35% of its employees living in the HUBZone.

Galaxy is now eligible for HUBZone business opportunities and will be included on the list of qualified HUBZone small business concerns. This certification is in addition to Galaxy's existing status as a certified woman-owned business/women's business enterprise (WBENC). Galaxy's HUBZone profile can be found at: http://dsbs.sba.gov/dsbs/search/dsp_profile.cfm?duns=884984766.

"With this HUBZone certification, Galaxy is able to expand its business opportunities with federal government contracts, while contributing to the economic development of our area." said Galaxy CEO Eric Lutz.
