

## PRESS RELEASE

# MACALLY, LONG TIME COMPANION TO MAC DEVICES BECOMES AN ALLY FOR WINDOWS PC USERS BY LAUNCHING A NEW LINE OF PC ACCESSORIES

### Macally Launches New Keyboards and Mice for Windows PC

*Macally for PC series of input devices built to suit businesses, homes and schools.*

Ontario, CA – May 21, 2019, Twenty-five-year consumer electronics accessory manufacturer, Macally Peripherals, has launched a new assortment of keyboards and mice for PC. The longtime manufacturer introduces the “Macally for PC” series which features keyboards and mice that are especially designed to suit Windows PC offices, homes and schools. Wired and wireless models will be released in various prices ranging from \$24.99 to \$69.99 MSRP.

“Keyboards with Windows PC layout have been requested by our customers for quite some time, said Macally President Mike Chen. “and while we are still dedicated to making products for the Apple Mac platform, we felt it was time to launch an assortment to fill our Windows PC users’ requests ... and we’re so excited to announce these amazing new keyboards and mice today. They look and feel outstanding.”
