The addition of Mr. Bhagdev signals continued growth and innovation at the SAP SuccessFactors partner

DUBAI (3 June, 2019) – iXerv Global FZC, a provider of business process, development, and outsourcing solutions for SAP SuccessFactors across Europe, Middle East, and Africa (EMEA), today announced the hiring of Vikram Bhagdev as Chief Executive Officer. Mr. Bhagdev joins iXerv Global from Hewlett Packard Enterprise.

The addition of Mr. Bhagdev is an important step in the next phase of iXerv Global's market growth and development plans across EMEA. In this role, Bhagdev will be responsible for setting strategic goals, overseeing the development and launch of key industry offerings and solutions, and for securing the necessary investments to scale and grow the organization today and in the future.

"I am thrilled to join iXerv and to further guide the growth and development that has been led by the current leadership team," said Bhagdev. He added, "iXerv's reputation has been built on a strong commitment to its customers. That remains our number one priority and we plan to expand that commitment through the development of value-add solutions, products, and platforms that enable customers to more easily consume SAP SuccessFactors technology."

iXerv has recently formalized its status as an SAP Business Process Outsourcing partner for SAP SuccessFactors, is a value-added reseller of SAP SuccessFactors solutions, and is a consulting partner recognized by SAP globally for its expertise in Employee Central and cloud payroll solutions. iXerv will also soon join SAP's Partner Build program for development of applications and solution offerings through its iXerv Labs development center.
