Let's have a deeper conversation about learning.

“

We were astounded about the visible student growth we saw over the process of four years of using FreshGrade.

—PETER BRIGGS, LINCOLN HIGH SCHOOL, WASHINGTON

A Learning Network

- **Deeper learning**
Ignite student curiosity & motivation by making learning more visible.
- **Instructional leadership**
Empower teachers & principals to connect student work to shared learning goals.
- **Parent & family engagement**
Involve parents in their child's learning journey.

“

You get genuine reflections from the students, they can confide in the parent and teacher and have true honest conversations about their learning.

—DALE MARTIN, COORDINATOR OF INSTRUCTIONAL TECHNOLOGY, SPLENDORA ISD, TEXAS

A learning network for the age of instant access

Lesson planning

Craft a shared journey

QUICK ALIGN

Connect activities to standards, frameworks, & assessments.

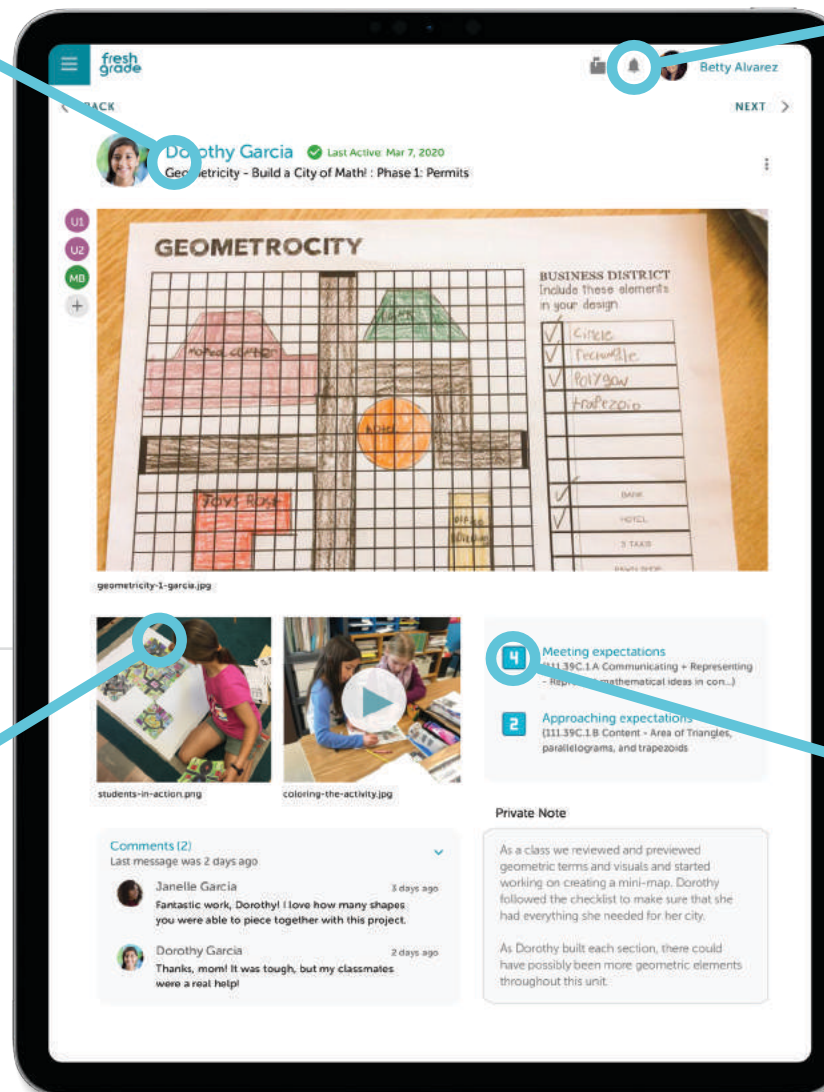

TEACHER-CENTERED PLANNING

Quickly adapt as classroom needs change. Create, modify, & share lessons from anywhere.

FLEXIBLE AUTHORITY CONTROL

Match teacher insights about students with school & district requirements.

1

3

Communication system

Build a strong community

REAL-TIME INSIGHTS

Teachers & parents provide timely & relevant feedback. Instructional leaders have a window into the classroom.

CONVERSATION TOOLSET

Encourage student reflection & goal setting through dialog.

ENGAGEMENT EQUITY

Mobile access means busy parents can support learning (and they do!).

2

Portfolio

Bring student work to life

STUDENT-DRIVEN PERSONALIZATION

Spark the joy of learning by letting students put their best foot forward.

LEARNING JOURNAL

Make student progress visible over any length of time.

DIVERSE MEDIA

Use the best media to demonstrate learning (photos, video, cloud documents, worksheets, etc.).

4

Gradebook

Guide students to success

FLEXIBLE ASSESSMENT

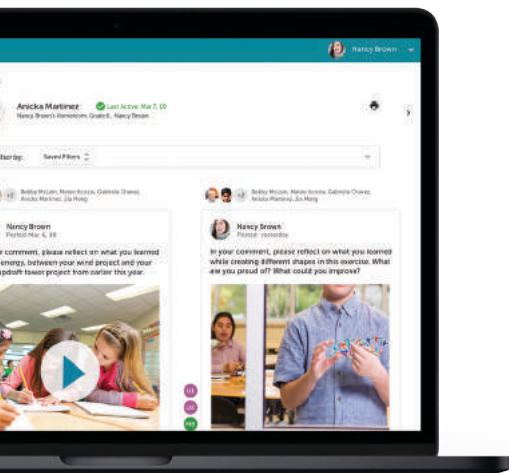

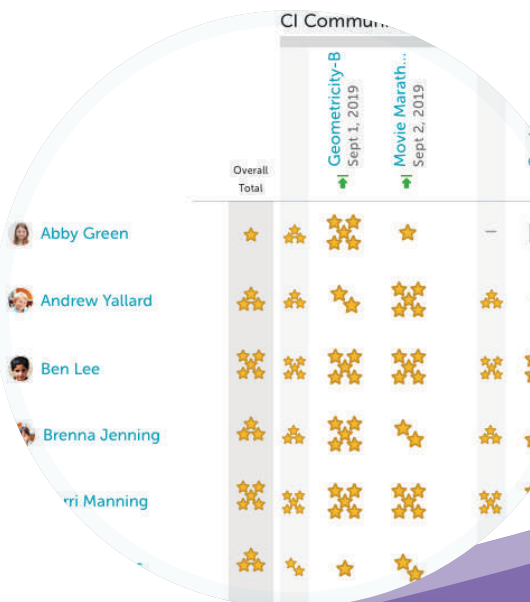

Standards-based, score-based, anecdotal gradebook or design your own.

EVIDENCE-DRIVEN GRADEBOOK

Directly link student work & assessments in one place.

CUSTOM GROUPS

Group students in any way that supports learning.

“My students and I utilize this platform to engage in conversations about learning and to reflect on and document progress.”
—KATHY COTE' ROGERS, PIZITZ MIDDLE SCHOOL, ALABAMA

“...when a teacher lets the students push the gas while she steers, learning is actually a lot more rewarding. No matter how long it takes for a student to learn something, when we do, it leads to great things!”
—AVA, 7TH GRADER FROM ALABAMA
