**Castle Dental® Gives Smiles to Communities in Houston, TX
In Partnership with the Smiles for Everyone Foundation, Castle Dental Provides Free
Dental Services to 55 Underserved Patients**

Houston, Texas – June 27, 2019 – [Castle Dental®](#) partnered with the [Smiles for Everyone Foundation](#) to open its Houston, TX office on Kirby Drive on June 22nd to provide free dental services for underinsured, low-income individuals.

Volunteers from Castle Dental offices across Houston spent this past Saturday helping others feel confident in their smile! Four dentists and their dedicated support staff hosted the Houston Day of Giving, where underinsured patients were able to benefit from over \$30,000 in donated dentistry. Individuals were informed about the event through partnerships with local nonprofit organizations like [The Women’s Home](#), a transitional housing service; [Communities in Schools](#), a program that mentors at-risk students; and [SEARCH Homeless Services](#).

The Houston Team cared for 55 individuals and provided services such as [exams](#), [cleanings](#), [fillings](#), [extractions](#), and more. But more importantly, they created a warm and upbeat atmosphere designed to make the patients feel at home. “The dental care and customer service I received was beyond great,” explained patient Hezekiah B. “You guys are amazing and made me and my family feel comfortable.” In agreement, Dominique M. replied, “You guys made my experience so easy. I usually hate the dentist, but I loved it here!”

The Smiles for Everyone Foundation would like to thank the entire Team of volunteers, including Dr. Jeffrey Eakin, Dr. Mohammad Hemmatian, Dr. Craig McClure, and Dr. Vanessa Powell. It is each of their hard work and compassionate spirits that allowed us to deliver Smiles for Everyone in Houston, Texas!

The next Day of Giving that the Foundation is hosting in Texas will be at [Monarch Dental®](#) in Mesquite on July 13th. Please visit www.smilesforeveryone.org for more information.
