About Us

Founded in 1987, Allied has become a recognized and trusted provider of comprehensive environmental field services and industrial cleaning services. With a diverse staff of experienced professionals and an expansive equipment fleet, Allied provides comprehensive services from routine facility maintenance projects, to emergency response, remediation and restoration. Allied maintains an excellent safety rating and is an ISNetworld, Avetta and BROWZ member contractor. Allied is fully licensed, bonded and insured.

Why Allied Environmental Services?

- Small Business with 'large business' capability to execute
- Self-performance on all projects
- Outstanding safety record
- Expansive fleet of modern equipment
- Experienced and diversely trained team of professionals, expert in multiple disciplines
- Stable company with over 30 years in business
- Financially secure and conservatively managed

Key Personnel

- Steve Carr, CEO:** Leading Allied with over 30 years of environmental project management experience, Mr. Carr's leadership and practical understanding is a key strength of our team.
- Gary Gootee, Industrial Services Manager:** Mr. Gootee has over 20 years of experience managing industrial cleaning and maintenance projects. He is uniquely qualified to solve difficult project challenges with attention to project schedule and budget.
- Rod Hogle, Asbestos Services Manager:** Mr. Hogle has over 15 years of experience designing and managing asbestos abatement and assessment projects of all types. Mr. Hogle places business ethics and safe work practices above all else.
- Chad Reynolds, Business Development Manager:** With over 20 years of experience in the environmental services industry, Mr. Reynolds responds to the individual needs of our customers to offer cost-effective solutions and timely estimates.

An ISNetworld, Avetta and BROWZ member contractor.
