

Humphreys & Associates, Inc. Joins the Scaled Agile Partner Network and Offers Agile Services

08/01/2019

Irvine, California

Humphreys & Associates, Inc. announced today that it has joined the Scaled Agile Partner Network as a Silver Partner. This worldwide network includes transformation and platform providers who help enterprises facilitate and accelerate business results through adoption of the Scaled Agile Framework ® (SAFe ®).

As the world's leading framework for enterprise agility, SAFe helps businesses address the significant challenges of developing and delivering high-quality software and systems in the shortest sustainable lead time.

“At Humphreys & Associates, we want to provide Radically Better Agile Services including Agile & EV Integration Training, Coaching, and Consulting to organizations with Earned Value Management and Integrated Program Management requirements so that they can successfully transform to an Agile framework while maintaining oversight and compliance on their programs.”

“Working with best-in-class partners like H&A represents our commitment to helping software and systems-dependent enterprises improve time-to-market, quality, and employee engagement,” said Dean Leffingwell, creator of SAFe and cofounder of Scaled Agile, Inc. “By incorporating SAFe into their solution offering, H&A is enabling the world's largest organizations to become more Agile in the marketplace and more competitive in their industry.”

About Humphreys & Associates, Inc.

H&A is a complete provider of EVM and Agile Services. We have a team of Agile Coaches, Consultants and Agile-EV Integration Specialists with cutting-edge training, certifications and coaching packages to meet all your Agile needs. H&A offers public and in-house workshops that result in certification for Scrum Master, Product Owner, and SAFe for Government. H&A also offers original and customizable Agile & EV workshops that will help your organization overcome the difficulties of implementing Agile while maintaining EV compliance. H&A can help you through every step of your Agile transformation. Our experienced Agile coaches have successfully led transformations in various industries and environments.

H&A's broad industry experience and deep knowledge base spans aerospace and defense, engineering and construction, utilities, energy, shipbuilding, scientific research, cutting-edge technology in design, development, and production environments. We have worked with all branches of the US Department of Defense (DoD), the Department of Energy (DOE), NASA, HHS, DHS, FAA, NSA, NGA, NRO, CIA and foreign governments. H&A is dedicated to the ultimate success of every client.
