About

At Pivotal Pumps, we aim to serve the Electric Power, Pulp & Paper, Oil & Natural Gas, Steel and Municipal Water markets with exceptional levels of customer service and industry best lead times. We do so by connecting customers directly with problem solving engineers, providing real-time visibility to repair projects and supporting industry with 24/7 emergency services. Our facilities and manufacturing capabilities are world-class. By utilizing state-of-the-art machine tools, experienced mechanical assemblers, expert inspection technicians, and a full staff of professional engineers, there is no job that is too big or complex for us to handle.
