BEDMART TO DONATE 50 MATTRESSES TO PORTLAND RESCUE MISSION *Local Portland Organization to Receive High Quality Mattresses for Shelters*

BedMart Mattress Superstores PORTLAND, ORE. — BedMart, Portland’s largest locally and family owned mattress retailer, announces its donation of 50 Tempur-Pedic mattresses with GBS Enterprise mattress protectors to the Portland Rescue Mission, a local nonprofit providing vital services to people battling homelessness and addiction. BedMart has again partners with Tempur-Pedic and GBS Enterprises to provide the product for the nonprofit. BedMart will be delivering truckloads of mattresses, valued at over \$50,000, during a donation event on August 23, 2019.

“Our family is proud to give back to our community,” says Elana Stone, Vice President and Spokeswoman of BedMart Mattress Superstores. “We hope with this donation we can help the Portland Rescue Mission provide a comfortable and safe place for people on the path of recovery – hoping to improve their lives.”

The Portland Rescue Mission focuses on helping men, women and children as they battle homelessness and addiction. The mission offers emergency shelter, hot meals and other services to help community members during their time of need.

“For 70 years, Portland Rescue Mission has been here to give hope and restore life to men, women and children struggling with hunger, homelessness and addiction,” says Mike Deckon, Director of Marketing for Portland Rescue Mission. “A vital part of that process is being able to provide warm, safe shelter when people come to us in need. That is why we’re so very grateful to BedMart for their generous gift of mattresses that will be used in our New Life Recovery Program. We would like to say “Thank you!” on behalf of all of our guests who will rest well for years to come.”

The donation event will take place at Portland Rescue Mission’s Shepherd’s Door location at 11:00 a.m. on August 23.
