

Smile Brands and Johnson Family Dental Partner to Expand Services in Santa Maria, California

Santa Barbara, CA | August 28, 2019

Johnson Family Dental is a growing group dental practice with eight convenient locations in Central California. Founded in 1963, Dr. Steven Johnson purchased the practice from his father in 2001 and has rapidly expanded by adding new locations and services. The group provides comprehensive general and specialty dental care plus orthodontics to residents of Santa Barbara, Goleta, Solvang, Ventura, Camarillo, Port Hueneme, Newbury Park and now Santa Maria.

The New Santa Maria location will offer the same excellent dental services that all of the Johnson Family Dental offices provide; preventative care and general dentistry, plus specialty care services, such as orthodontics (braces), Invisalign®, oral surgery, periodontics, and endodontics. Patients enjoy the convenient hours, comfortable offices and full-service care they receive at Johnson Family Dental. The new location at 745 E. Betteravia Road, in Santa Maria will be open five days a week including evenings. This office accepts most major insurance plans, and offers flexible financing options so patients can afford the care they need.

Leading the clinical team in the new Johnson Family Dental office is Dr. Kivel. Dr. Kivel has been in practice for over fifteen years. He specializes in Implant restoration, Invisalign® and Cosmetic Dentistry.

“I enjoy getting to know my patients so that they can have a positive experience during their treatment. It is essential for me to always listen to my patients and having a calm and reassuring chair-side manner,” says Dr. Kivel. “I’m also very excited to be partnering with Johnson Family Dental and to open this state-of-the-art facility to serve the community of Santa Maria.”
