An additional award will be given during this inspiring evening:

WIT GIRLS OF THE YEAR AWARD

praises special participants from the WIT Girls program for their exemplary achievement and dedication to STEM studies

ABOUT WOMEN IN TECHNOLOGY

Women in Technology (WIT) empowers and educates women and girls about opportunities in science, technology, engineering, the arts, and math (STEAM) by educating middle and high school girls, and young women in college, and by sharing the stories of successful professional women in STEAM. Our team of more than 300 volunteers delivers professional development and networking opportunities to our more than 3,000 professionals, and programs at no cost to more than 1,500 students. From the classroom to the boardroom, WIT is committed to bringing the best STEAM content and programming to women and girls in Georgia.
