PAST PERFORMANCE IS NO GUARANTEE OF FUTURE PERFORMANCE.

Morningstar Ratings™ are based on risk-adjusted performance as of 6/30/2019. The Morningstar Rating™ for a strategy is derived from a weighted-average of the performance figures associated with its three-, five- and ten-year (if applicable) Morningstar Rating™ metrics. For each strategy with at least a three-year history, Morningstar calculates a Morningstar Rating™ based on a Morningstar Risk-Adjusted Return measure that accounts for variation in a strategy's monthly performance (including the effects of applicable fees), placing more emphasis on downward variations and rewarding consistent performance. The top 10% of strategies in each category receive 5 stars, the next 22.5% receive 4 stars, the next 35% receive 3 stars, the next 22.5% receive 2 stars and the bottom 10% receive 1 star.
