Meridian Senior Living is Pleased to Announce the Addition of Gentry Park Orlando to Its Senior Housing Portfolio

ORLANDO, FL – Meridian Senior Living, LLC (Meridian) is pleased to announce the addition of Gentry Park Orlando (Gentry Park) in Orlando, FL to its portfolio on September 19, 2019. Meridian is managing and operating Gentry Park on a day-to-day basis.

“We are excited to expand our operations in Florida,” says Meridian Senior Living President and Chief Operating Officer Kacy Kang. “We look forward to welcoming the employees, residents, and resident families to the Meridian family.”

“We strive every day to provide residents and our team members with our WOW! culture where they live a truly exceptional experience,” says Damon Thomas, Meridian Senior Living Regional Director of Operations. “We look forward to enriching the lives of our residents at Gentry Park Orlando.”

Conveniently located in a vibrant neighborhood just outside Downtown Orlando, Gentry Park offers both assisted living and memory care services in a custom designed, modern senior living community. This community offers 86 spacious residences including studio, one-bedroom, two-bedroom, and companion apartments. Located at 3201 Center Pointe Drive in Orlando, FL, Gentry Park is convenient to Highway 417, Orlando International Airport, retail outlets, restaurants, golf courses, amusement parks, local hospitals, and medical office buildings.

Amidst a beautiful, contemporary setting, Gentry Park residents dine on cuisine from an executive chef and enjoy amenities such as a fitness center, bistro, salon, and barber shop. A vast array of social events including happy hours, dances, barbecues, and various outings are geared toward a social, active lifestyle. Residents are encouraged to embrace their independence along with peace of mind at Gentry Park where 24-hour nursing staff is available if needed. Meridian’s exclusive Montessori Moments in Time™

memory care program helps to improve the quality of life for those living with Alzheimer's disease and other related dementias, while offering support to families.
