## Dr. Peg Chilvers and Dr. Monica Morman Available in Gillette Full-Time

[Home](#) › [News](#) ›

With over 30 years of combined experience, board-certified orthopedic surgeons **Dr. Peg Chilvers** and **Dr. Monica Morman** are available to provide foot, ankle, hand and upper extremity care to Gillette patients full-time. Dr. Chilvers and Dr. Morman are available to see patients in need of care five days a week at the **Black Hills Orthopedic & Spine Center of Wyoming Gillette** office, located at the corner of Highway 59 and Country Club Road at 2201 South Douglas Hwy, Suite 120. Patients seeking specialized orthopedic care can schedule an appointment by calling the practice at (307) 670-9150, or visit [www.bhosc.com](http://www.bhosc.com) to easily request an appointment online.

Now available full-time in Gillette, fellowship-trained foot and ankle surgeon Dr. Chilvers has expertise that includes a wide variety of advanced procedures and techniques to promptly and effectively diagnose and treat injuries and conditions of the foot and ankle. Joining Dr. Chilvers is Dr. Morman, who has over 15 years of experience in serving patients in Gillette. As a dual-fellowship-trained shoulder and hand surgeon, Dr. Morman specializes in the treatment of injuries and conditions of the shoulder, elbow and hand.

“I am proud and privileged to continue to serve our Gillette community, and I am excited to help patients full-time alongside Dr. Chilvers at Black Hills Orthopedic & Spine Center of Wyoming in Gillette,” says Dr. Morman. “We are a part of the most comprehensive, specialty-trained orthopedic practice in the region, and the rest of our **Gillette team** includes six additional specialists who provide coverage for the entire spectrum of orthopedic needs.”

After receiving her Doctor of Medicine from Southern Illinois University School of Medicine, Dr. Chilvers went on to complete an

orthopedic surgery residency at The University of Arizona in Tucson. Following her residency, Dr. Chilvers underwent extensive specialty training by completing fellowship training in foot and ankle surgery at the Michigan International Foot and Ankle Center in Pontiac, Michigan.

Dr. Morman graduated with honors from The University of Alabama at Birmingham School of Medicine in Birmingham, Alabama. She completed her general surgery internship and orthopedic surgery residency at The University of Texas Southwestern Medical Center in Dallas. Following her residency, Dr. Morman obtained additional specialty training in hand surgery through a fellowship at The Hand Center of San Antonio in San Antonio. Later, she completed a Harvard University fellowship in shoulder and elbow surgery at Massachusetts General Hospital, which included training abroad at the Clinique Générale Annecy in France.
