

Alitek Named to the 15th Annual Aggie 100, Honored as Fastest Growing Company

COLLEGE STATION, TX, October 26, 2019 – Alitek of Houston is among the top 100 companies from around the world selected for the 15th annual Aggie 100 which honors the fastest-growing companies owned or operated by former students of Texas A&M University. Alitek was recognized as number 95 with a compound annual growth rate of 30%. The Aggie 100 is founded and sponsored by the McFerrin Center for Entrepreneurship at Texas A&M University.

Alitek is a leader in information based digital transformations. We help organizations improve business outcomes, increase efficiency, and reduce risk, through better management of information. Our experienced team works with you to build a unique strategic plan based on your specific needs, no matter the size of your company.

Mike Brookover, Partner and CEO of Alitek and Texas A&M Class of 1990 says, “We are honored to be recognized by the 2019 Aggie 100 for the hard work and achievements of the Alitek team, and we look forward to using our experience to contribute to the development of future Aggie entrepreneurs.”

The 100 Aggie-owned companies with the highest compound annual revenue growth from 2016 to 2018 were recognized at a formal celebration at the Hall of Champions at Texas A&M University’s Kyle Field on Friday, Oct. 25, 2019. The honorees were joined in celebration by family, friends, employees, faculty, administrators, current students, and fellow entrepreneurs.

“As we mark the 15th Crystal Anniversary of the Aggie 100 program, we celebrate our success by raising up the newest class of Aggie 100 honorees. Knowing how each member company of the Class of 2019 has overcome their own adversities to reach astounding levels of growth and prosperity, we dedicate this significant milestone to the excellence exhibited by our newest additions to the Aggie 100 family” said Blake Petty, Director of the McFerrin Center for Entrepreneurship.
