**Positronic Executive Administrative Assistant Awarded MAMBassador of the Year
at the 5th Annual Made in Missouri Leadership Awards**

12 November 2019

Positronic, a global manufacturer of high reliability electronic connector products based in Springfield, Missouri, USA, is proud to share that our Executive Administrative Assistant, Carol Gordon, was named MAMBassador of the Year by the Missouri Association of Manufacturers (MAM) at the 5th Annual Made in Missouri Leadership Awards & Appreciation Event.

Mrs. Gordon was presented with the MAMBassador Award for her efforts in promoting collaboration, strong relationships and helpful alliances in the manufacturing community. Spending much of her career in manufacturing, she is an excellent resource for those new to the industry, and her experience is helpful for recognizing people and companies that can benefit from collaboration.

“Carol has a strong passion for her community, this industry, and everyone involved,” commented Greg Rocque, President of Positronic. Mrs. Gordon’s community outreach efforts and time spent engaging colleagues and MAM members was recognized during the award ceremony. John Gentry went on to say, “Carol is an excellent example of our Positronic values at work in the community, and we are excited to celebrate this recognition of her efforts.”

The Made in Missouri Leadership Awards (MMLAs) were developed to honor manufacturing companies and individual leaders that are shaping the future of manufacturing.

About Positronic:

Founded in 1966, Positronic is a global manufacturer of high reliability electronic connectors known for distinctive core capabilities, including solid machined contacts with low resistance/high conductivity for use in standard and quick--turn custom connectors. Key products include high power, D-sub, rectangular, modular and circular connectors. Customized solutions are available as well. Positronic is known globally for the unique ability to quickly modify existing designs or create new products to meet application-specific needs.
