

EXECUTIVE SUMMARY

The digital solution you need to get the job done

About Us

TECKpert provides design, development, marketing and staffing solutions for businesses and clients of all sizes. We build innovative digital solutions for clients from all industries, including healthcare, finance, government, legal and real estate. As long-time developers, creators and strategists, we understand what it takes to achieve success in the new economy—and we know how to identify the talent that will bolster your own team’s capabilities.

Design

We provide human-centered service and experience design that captures and engages your audience.

Web Design
App Design

Recent Work

Our team created the website platform and transformed the company's digital capabilities.

We built the marketing automation platform and mobile app serving thousands of users.

100% US Based

Our vetted team of digital professionals delivers high quality work with a focus on customer service and communication.

Project-Based or Staff Augmentation

We provide the high-skill workforce you need the way you need it: short-term, long-term, project to project and across competencies.

Flexible On-Demand

Build your team with TECKpert and reduce your scale-up time from months to days.

"I started TECKpert with the vision of providing cutting-edge technology solutions to businesses with a focus on customer service. Since 2009, we've worked with hundreds of organizations to deliver digital solutions that have a lasting impact on their mission. We pride ourselves on being their digital partners and we'd like to be the same to you."
