Women in Tech Program (WIT) \$999/pp/per year

Regardless of your position, topics like security, data, and cloud are all continually evolving technologies that are critical to performance and success. Staying current and preparing for what's next is crucial to not only personal growth and performance, but to your organization, as well. We will take you broad and deep into IT with over 3000 course titles, over 100 IT certification prep learning paths, and over 10,000 digital and audio books and book summaries.

Women in Leadership Program (WIL) \$599/pp/per year

Our Women in Leadership Program provides quick, convenient access to learning content that promotes the development of leadership skills and addresses the unique challenges faced by women in business. We've carefully selected the most pressing areas of development for women leaders across three levels of their career - leading the business, leading your team and leading yourself. The program is comprised of 30 selected courses that includes hundreds of videos, books, book summaries and other resources for development.

Young Women on the Rise Program (YW) \$299/pp/per year

Our Young Women on the Rise Program is a unique leadership program designed specifically for high school and college aged young women. The program includes 100 hand selected courses and over 700 videos around leadership development, building trust, dealing with conflict, accountability, achieving emotional intelligence and so much more!

OUR WORLD OF WORK IS CHANGING AND RAPIDLY... **WOMEN, ARE YOU READY?**

While women comprise of 47% of the workforce, we only represent about 20% of tech workers. We live in a time where competition for talent is fierce.

The time is now to ask yourself "what's in my future of work?" You have an opportunity to learn the skills needed to capture those future dream jobs, be paid well, and move the needle to a higher percentage of working women in our rapidly changing tech World.

Giving Back - A portion of all proceeds from our Women in Tech, Women in Leadership and Young Women on the Rise programs will go to one of the following organizations of your choice upon ordering.

- Enterprising Women (EW2020)
- National Association of Women Business Owners (NAWBO2020)
- Women's Business Enterprise National Council (WBENC2020)
- Women in Cloud (WIC2020)
- Women in TECH (WIT2020)
- Women Presidents' Organization (WPO2020)

We are proud to partner with each of these organizations as they continue to support and mentor women of all ages.
