Sagora Senior Living Names Five Newly Operated Communities in Texas

FORT WORTH, TEXAS – Sagora Senior Living, one of the nation’s top 50 senior housing operators, started operating five Heartis communities in Texas including Heartis Amarillo, Cleburne, Conroe, Cypress and Eagle Mountain on November 1, 2019. These communities have officially been renamed as Bristol Park at Amarillo, Bristol Park at Cleburne, Bristol Park at Conroe, Bristol Park at Cypress and Bristol Park at Eagle Mountain.

The addition of these communities extends Sagora Senior Living’s operations to 44 multi-state communities in Texas, Oklahoma, Florida, Alabama and California.

"The chosen name, Bristol Park, reflects the comfortable, home-like atmosphere of these assisted living and memory care communities," said Sagora Senior Living Sr. Vice President, Dara Brown. "This transition to Sagora has been a smooth one and there has been no disruption of services to our residents."

New websites are currently in production and will be launched within the coming weeks. To find out more about Sagora Senior Living, call (817) 446-4792 or visit www.Sagora.com.

ABOUT SAGORA SENIOR LIVING

The Sagora Senior Living family of companies is focused solely in the seniors housing industry, with involvement in the ownership, development, acquisition and operation of communities, including cottages, independent living, assisted living and memory care. The company currently operates 5,000+ seniors cottages and apartments, serves 4,700+ residents and employs 2,600+ associates.
