Garey Orthopedic Medical Group Relocates Pomona Facility

Garey Orthopedic Medical Group is excited to announce the relocation of their Pomona clinic to a newly renovated, state-of-the-art facility at Casa Colina's campus, located at 255 E Bonita Ave, Bldg 1, Suite 101.

"We are thrilled to move onto the Casa Colina campus, working together to deliver high quality and cutting edge Orthopedic care to the San Gabriel Valley!" said Dr. Luis Corrales.

The new facility will allow Garey Orthopedic to offer patients comprehensive and convenient orthopedic care with relaxing, and updated patient rooms, and cutting-edge technology including the best MRI and X-Ray machines on the market. The updated facility will also allow them to continue providing the world-class care patients have come to expect from Garey Orthopedic.

"We are very excited about the relocation of Garey Orthopedic to our newly renovated location," Lisa Bailey, Chief Administrative Officer at Garey Orthopedic said. "Casa Colina offers many services that go hand in hand with the services that we provide, and we could not be more thrilled to be working so closely with them."

With construction and facility enhancements well under way, the new Pomona location is set to begin seeing patients on February 03, 2020. Until then, they will continue to operate out of their Garey Ave clinic.
