

**FOR IMMEDIATE RELEASE**

**Batavia, Illinois, January 10th, 2020 – TWO EXCITING ANNOUNCEMENTS FROM RADCO!**

1. **Radco Industries, Inc.** will be exhibiting our RADCOLUBE® CLP (GUN OIL) again this year at the 2020 SHOT SHOW Pop-Up Preview at BOOTH# 61403 on January 22<sup>nd</sup> in Las Vegas, NV.
2. **Radco Industries, Inc.** is attending The Tactical Games Pre-Shot Show Range Day at Pro Gun Club (Boulder City, NV) on Sunday, January 19<sup>th</sup>, with samples of RADCOLUBE® CLP (GUN OIL) for the competitors.

**Visit Radco Industries at The Tactical Games Pre-Shot Show Range Day on 1/19/20 or at BOOTH# 61403 at the SHOT SHOW Pop-Up Preview on 1/22/20 and receive a free sample of RADCOLUBE® CLP (GUN OIL).**

Radco is excited to share it's chemically superior and battle proven RADCOLUBE®CLP (GUN OIL) with the public. RADCOLUBE®CLP has proudly been used by all branches of the U.S. Military since 2017. Radco Industries, Inc. formulates, tests, and fills every bottle in house to ensure optimal performance in every drop. Please reach out with any questions or meeting requests.

**About RADCOLUBE®CLP (GUN OIL):** Is for use in cleaning, lubricating and short-term preservation of small and large caliber military weapons operating in any environment. RADCOLUBE® CLP (GUN OIL) is DOD Approved/Qualified to MIL-SPEC: MIL-PRF-63460F TY: A, NATO Code Number S-758, Qualification Number AR-16-10. Available in 0.5 oz, 4 oz, Pint, Liter, and Gallon sizes.

**About RADCO INDUSTRIES, INC:** Radco Industries, Inc. has over 48 Years of industry-based knowledge specializing in the manufacture of high-quality critical application specialty lubricants. The RADCOLUBE® product line consists of synthetic and petroleum based lubricants designed and manufactured with the most current technology and employed across air, land, and sea military applications. Radco Industries, Inc. actively supplies the U.S. Military with more than 20 MIL-SPEC critical application lubricants with over 26 QPL approvals.

**Michael Damiani - CEO, Radco Industries, Inc.**

*"As one of the formulators for Radco's new RADCOLUBE® CLP (GUN OIL), I designed this lubricant not only to exceed the stringent Military CLP specification, but also exceed my lubricant requirements for my own personal firearms."*
